- **MAIN FACS PROFILE ROLLOVER**

MAIN FACS PROFILE ROLLOVER

MAIN FACS Profile Rollover will be done on the evening of Thursday, June 26, 2008. This process will create Fiscal Year 2009 and Appropriation Year 2009 profiles. On Friday, June 27, 2008, agencies will be able to make changes to their 2009 profiles. The profiles which will be “rolled forward” are: 20, 26A, 26B, 26T, 24, 26, D03, D04, D09, D10, D11, D23, D52, and D67.

Agencies are encouraged to review and inactivate profiles that are not being used. Inactivation will prevent AY based profiles from rolling into the new AY and prevent inadvertent use of unneeded profiles. Unneeded profiles degrade performance and increase the cost of operation for MAIN FACS.

ADPICS and RSTARS will not be available for processing Fiscal Year 2009 procurement and budgetary transactions until a later date.
